COMMUNICATION

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In the Amendment and Argument filed with the USPTO on October 12, 2000, the argument and response to the 35 USC §103(a) rejection was omitted inadvertently. The response to the rejection under 35 USC §102(b) or, in the alternative, under 35 USC §103(a) on pages 21 to 22 has been amplified, after discussions with the inventor. In claim 193, the recital of ...a portion of a synthetic spacer 2 region...was inadvertently omitted (in lines 7-8). Editorial revisions were also made.

This Supplemental Amendment and Argument supplements the filed Amendment and Argument. The undersigned apologizes for this oversight. Entry of the Supplemental Amendment and Argument is respectfully requested.

Respectfully submitted,

Gerard J. Weiser
